THE SQUIRES

The Squires of 1973 are ready to take the field after a long winter of rehearsals. New music and a new drill are being worked on to make this year's version of the Squires the best yet.

At present there are approximately 30 in the color guard, 42 in the horn line and 18 in the percussion section.

This past winter the Squires had to purchase 36 new horns. The old ones were passed on to the Pages as theirs were worn out. In addition to the new horns, a new bass drum and four tympanies were added to our percussion section.

The big news of the past season, of course, was winning the Class "B" World Open Championship at Lynn, Mass.; taking second in Class "A" at the Penn York Championship at Syracuse and third in Class "A" at the New York State Legion finals. The Pages also had their share of honor by becoming the Penn York mini champions in Syracuse. The Squires and Pages of 1973 are out to show the drum corps world that these were no mistakes.

Some of the projects the corps carried out last year to raise money were indoor and outdoor shows, bake sales, race programs sales, pop sales, and a tag day.

Special thanks should go to St. Mary's of the Lake Catholic Church for the use of the Center to practice and to the Youth Commission and the Watkins Glen Central school for arranging the use of the school buses for our out of town appearances. The cost of operating these buses, however, is borne by the Squires.

The Squires Junior Drum & Bugle

Corps wants to say "Thank you very much" to all the people who support us. We sincerely hope you will continue to help us, as we need your continued interest and help. We are proud of you, proud to represent Schuyler County and proud to be known as the "Musical Ambassadors of Schuyler County."
