1975

THE SQUIRES

From the Fall of 1964 to the Spring of 1975, the Squires have developed from a small parade corps to one of the best field corps in the East. The success of the Squires must be attributed to many hard working corps members and adults. Many of the original members and adults are still with the corps. We all owe our thanks to the founders of the Squires.

The Squires are prepared to take the field for the 1975 season with a new show and drill, new enthusiasm, and a desire to equal or better our past seasons' performances.

The 1975 Squires will feature 23 in the color guard, 47 horns, and 22 in the percussion section. As you can see, we have grown immensely from the 35 or 40 members in the 1964 corps.

Although the Squires didn't win any titles at the big shows in 1974, they made very respectable showings their first year in Open Class Competition. Our finish in the top 25 corps in Drum Corp International earned the corps an invitation to be an Associate Member of DCI. Many first place finishes were won, plus a second place in the New York State Legion finals.

The Pages had a very successful season also. They placed second in the Penn York finals, and first in many parades.

Many projects were carried out by the two corps last year to earn money, in addition to prize monies won at field shows and parades. Some of the projects were indoor and outdoor shows, Tom Watt kits, raffles, tag day, ice cream socials, pop corn

sale, and selling race programs. As you can see, the corps members work hard on and off the field.

A special thank you must go to St. Mary's of the Lake Catholic Church for the use of the center, the Watkins Glen Central School for arranging for practice space, and to all our supporters whose help keep the two corps going.

The Squires and Pages look forward to the 1975 season with renewed enthusiasm, and hope that all our supporters do likewise. We sincerely hope you will continue to help us, as we need your continued interest and support. We are proud of you, proud to represent Schuyler County and surrounding areas and proud to be known as the "Musical Ambassadors of Schuyler County."
